GREEN & HERBAL INFUSIONS

Big Hibiscus (cf)

The cabernet of hibiscus teas. Luscious red hibiscus with Indian sarsaparilla, ginger, pink rose petals, and elderflowers from Europe. Deep red and complex, this tea almost needs a corkscrew.

China Rose Petal

China Congou black leaf tea layered with pink rose petals. It's a mellow, sweet-tasting tea with a wonderfully perfumed aroma.

HoneyBush (cf)

Honeybush grows in the western Cape of South Africa and has a distinctly honey-like aroma. Hand harvested in September and October, it is naturally caffeine free with a sweet, peachy flavor and a pinkish golden hue in the cup.

Chamomile Meadow (cf)

A blend of golden Egyptian chamomile flowers and mildly stimulating, fragrant hyssop joined with smooth Cape rooibos, rose petals and linden flowers.

Mao Feng Shui

This spring harvested Mao Feng green tea from Zhejiang China has a slightly sweet, vegetative taste and aroma with a lingering fresh aftertaste.

Peppermint (cf)

It's no secret that the world's best peppermint comes from the Pacific Northwest. Gently hand-screened for perfect leaf size, it infuses a full, creamy flavor with distinct chocolate notes and an intense finish.
