TEA SELECTION

BLACK TEA

Ceylon

From one of the most beautiful cities in Sri Lanka, Ceylon brings together full and flavory Dimbula with highly aromatic and intense Uva and lightly scented high-grown Nuwara Eliya. A tea made for sipping with pleasure all day.

Darjeeling

Grown in the foothills of the Himalayas, this blend of first and second flush organic Darjeeling teas produces a light, yet complex tea with the aroma and flavor of fruits, nuts and flowers complemented by rich, toasty, buttery notes.

English Breakfast

A special blend of teas from India and Africa. This breakfast tea is full-bodied, rich and refreshing, with a bright, inviting color.

Earl Grey

Fine black tea with fragrance of Bergamot. This elegant tea was first invented as a Mandarin's gift to the second Earl Grey in the 1880s.

Fine Assam

Created with the finest Assam tea grown in Brahmaputra Valley, North East India. Enjoy its rich flavor and distinctive malty taste.

Irish Breakfast

Sourced from the finest tea gardens of Rwanda, Kenya and the Assam Valley of India, this robust blend is famous for its rich golden color and much loved taste.

Masala Chai

Ours combines second flush Assam teas with pungent ginger root, cassia, black pepper, cloves and cardamom to create a rich and spicy brew worthy of any chai wallah.

Scottish Breakfast

A blend of the very best Assam and African teas featuring full-bodied tea with a delicious malty flavor.

Tea Room Blend

Rosy & Bright with a deep rich color and flavor to match.

GREEN & HERBAL INFUSIONS

Big Hibiscus (cf)

The cabernet of hibiscus teas. Luscious red hibiscus with Indian sarsaparilla, ginger, pink rose petals, and elderflowers from Europe. Deep red and complex, this tea almost needs a corkscrew.

China Rose Petal

China Congou black leaf tea layered with pink rose petals. It's a mellow, sweet-tasting tea with a wonderfully perfumed aroma.

HoneyBush (cf)

Honeybush grows in the western Cape of South Africa and has a distinctly honey-like aroma. Hand harvested in September and October, it is naturally caffeine free with a sweet, peachy flavor and a pinkish golden hue in the cup.

Chamomile Meadow (cf)

A blend of golden Egyptian chamomile flowers and mildly stimulating, fragrant hyssop joined with smooth Cape rooibos, rose petals and linden flowers.

Green Jasmine

Classic green China tea scented with freshly picked jasmine flowers.

Mao Feng Shui

This spring harvested Mao Feng green tea from Zhejiang China has a slightly sweet, vegetative taste and aroma with a lingering fresh aftertaste.

Peppermint (cf)

It's no secret that the world's best peppermint comes from the Pacific Northwest. Gently hand-screened for perfect leaf size, it infuses a full, creamy flavor with distinct chocolate notes and an intense finish.

Sencha

In Japan, this delicate green tea leaf undergoes a very careful journey from field to cup. Slender needle-like leaves produce a deeply vegetal taste and aroma, ripe with notes of toasted rice and nori.
